

Transfer-In Students on F-1 Student Visa

Dear student,

We are very excited to have you at Nomen Global. In order to complete your transfer process, please provide us with the following documents.

- Completed Nomen Global transfer form.
You will take this form to your current school and they will fax/mail it back to us.
- Completed Application Form.
- \$100 application fee.
- Copy of your I-20 from your previous school.
- An original affidavit of support signed by your sponsor.
This cannot be older than 60 days. If you are sponsoring yourself, this is not necessary.
- Financial documents, less than 60 days old.
- A copy of your passport.
- A copy of your Visa.
- A copy of your I-94 card.

After we have received all these documents, and your SEVIS file has been released, you will be issued a new Nomen Global I-20. You will need to sign it and keep it with you always.

At this point you are ready to begin your studies with Nomen Global. Be sure to come in early enough to test and register.

We'll see you soon!
